

A hand is shown holding a small, glowing blue, circular device with a complex internal structure, possibly a microchip or a small sensor. The device is illuminated with a bright blue light, and the hand is positioned as if presenting or interacting with it. The background is dark, making the glowing device stand out.

INTERNET OF THINGS KITS

No	Kit	Components / Specs	Price [INR]
A1-DB-01	Basic Board	Arduino R3, LCD Shield, LCD, RTC, Remote Control and USB cable	2080
Ax-SB-01	Sensors Board	PIR, Reed, Temp, Humidity, Power and Light	2030
